MONDAY August 26th

BOSUN HALL

9:30am - 10:45am #25. **"Meet The Three Foxes! (American, International, & Laminu)"** (AL)

This workshop is a wonderful introduction to, and exploration of, the similarities and differences between the three major Foxtrot styles commonly seen today on the dance floor: The "International Ballroom" style, the "American Standard", and the "Laminu". You'll learn how to dance to a variety of musical speeds and how to seamlessly transition between all three foxtrot styles. Expect some fabulous music to boot! Not to be missed!

11:00am - 12:15pm #26. **"Swinging Outside the Box - Fabulous Swing Variations!"** (AL)

Learn the art of "poly-rhythmic improvisation" and the use of alternate 4, 6, and 8-count rhythms in swing with this fun East Coast Swing based approach to dance that addresses the use of tight partnering, framework, lead/follow connection, and energy to break in and out of 6-count rhythms. Amazingly simple to do, yet so much fun! Perfect for dancers who want to focus on partnering and connection while learning a whole lot more about dancing outside the box.

LUNCH BREAK

1:30pm - 2:45pm #27 "Tango'd up in Blues & Swing" (AL)

Learn to cut the floor with some sultry tango combo's & breaks that are easily inserted into your blues & WCS styling. A great way to broaden your dance horizons and blend your favorite styles together. This will definitely put the "wow" factor into any dance you do!

3:00pm - 4:15pm #28. "The Art of Fusion (Musicality in Motion)" (AL)

Fusion is one of the newest and coolest styles to hit the dance scene, and like blues or tango, it focusses much more on partnering, musicality, energy, and improv rather than on rote steps or patterns. In this class you'll not only learn how to co-create and communicate movement on the dance floor to allow for more deliciousness, trust, and creative play with your partner, we'll also explore such concepts as dynamic framework; effortless flow; and the art of "conversational" partnering. Believe me, it will take your dance to a whole new level!

NOTE! All Monday Workshops are non-novice. Some familiarity with basic steps (of any dance style) and partnering assumed

Note: All Workshops are 75 minutes long, beginner/Intermediate. * Indicates the Dance is an Intermediate Dance. REMEMBER ! Workshops move along at a quick pace and are not like a normal class. Video Taping will happen just after each Workshop.
